Possible events may include but are not limited to cultural practices, sports practices, inter-school sport competitions, dance and drama rehearsals, course tutorials/workshops, and curriculum-based learning experiences in the local community.

Where an event involves risk exposure greater than what would typically be the case at school, such as adventurous activities or hazardous environments or the event continues overnight, specific consent will be required. At the time of our seeking any further consent, you will also be asked to update the health and contact information held by school.

It is important that this form is completed at the start of the year for all learners who will be participating in EOTC events (as described above). The details on this form will remain confidential to school staff, contractors and volunteers associated with supervising activities on EOTC events.

Please note that it is crucial that learner details such as health information and emergency contacts are kept up to date with the Alfriston College school office during the year. The information we have on file must be accurate and complete, to allow us to plan appropriately for EOTC events.

### *Privacy Statement:*

*Please note: the personal information collected on this form is for the purpose of running EOTC events and ensure health and safety of all involved. It will not be used or disclosed for any other purpose except in accordance with the Privacy Act 1993. You have the right under that Act to access and seek correction of the information.*

- ☐ In an emergency Alfriston College may act on my behalf.

- ☐ I will inform Alfriston College as soon as possible of any changes in the medical or other circumstances involving my child.
- ☐ I agree to my child receiving any emergency medical, dental, or surgical treatment, including anesthetic or blood transfusion, as considered by the medical authorities present.
- ☐ Any medical costs not covered by ACC or a community service card will be paid by me.
- ☐ If my child is involved in a serious disciplinary problem, including the use of illegal substances and/or alcohol, or actions that threaten the safety of others, he/she will be sent home at my expense.

## **Learner Contract (tick all statements to indicate that you have read and agree)**

To be read and signed by all participating learners.

  - I realise that this requires me to take genuine responsibility for my own learning and the safety of others and myself.
- ☐ I agree to do the following to make this happen:
  - Accept the rules set by the school for any event, even if they are different from what is acceptable at home;
  - Show courtesy and consideration for others;
  - Follow the rules and instructions of staff and other supervisors;
  - Take part in all activities within challenge-by-choice options;
  - Look after myself and my personal belongings;

- ☐ I acknowledge that in order to gain a better understanding of the risks involved, I am able to ask any questions of Alfriston College about the activities in which my child will be involved. I recognise that participation in such activities is voluntary and not mandatory. My child and I both understand that they may withdraw from the activity they feel at risk. This must be done in consultation with the person in charge.
- ☐ I understand that Alfriston College does not accept responsibility for loss or damage to personal property (either my child's property or damage to other's property caused by my child) and that it is my responsibility to check my own insurance policy.

## **BRING YOUR OWN DEVICE AGREEMENT – 2026**

### **FOR LEARNER OWNED DEVICES**

Alfriston College is a bring your own device (BYOD) learning environment and learners are **required** to bring their own device to school every day.

Our recommended device is a Chromebook. We recommend a Chromebook because of their lower cost, smaller size, toughness and longer battery life when compared to a laptop. If your child already has a device that they have been using at Intermediate, please check with us to see if it is suitable for learning at Alfriston. Most laptops, Macbooks, notebooks etc. will be suitable if they have a 10" screen or bigger, and a proper keyboard. A smartphone or a tablet is not a suitable device for learning.

We also require learners to have a set of earbuds with a microphone so they can listen to video resources privately and make use of voice to text apps in the classroom.

This agreement outlines the expectations and responsibilities of use of YOUR OWN device while at school. Before your child can use their own device in school, we require you to read and tick the following statements to show your understanding and acceptance:

- ☐ All devices brought to school are my child's responsibility whilst in school and travelling to and from school.
- ☐ Obtaining and maintaining any insurance for the device is my responsibility. The school is not responsible for any loss or damage to the device but will assist in resolving any issues that result in loss or damage when it can.
- ☐ My child must allow the school to record the make, model, and serial number of the device. This is so the school can positively identify and establish ownership of any device in school.
- ☐ The device must remain in the care and possession of my child throughout the day and must never be left unattended either in a school bag or out in a room.
- ☐ Charging the device is my child's responsibility. We expect that devices are brought to school each day fully charged. My child may charge their device in school provided they use their own charger and the device is not left unattended.
- ☐ Devices brought to school are for the use of my child only. Learners should not share devices and must NEVER share passwords.
- ☐ The school expects learners who use their own devices to follow the rules laid out in the Responsible Use Agreement. Alfriston College staff reserve the right to confiscate any device from a learner who breaches the Responsible Use Agreement. This includes for the misuse or abuse of social media and accessing inappropriate internet content.
- ☐ In the event that the device is confiscated following a breach of the Responsible Use Agreement, a parent may be required to collect the device from school.

I also understand it could result in contact of my parents/guardians and/or in disciplinary action by the School.

## **PARENTS OR GUARDIAN**

### **General use of computing/communication technology resources**

As the parent or guardian of this learner, please read the Computing / Cybersafety Learner Use Agreement with them to ensure he/she understands his/her obligations. The computer/communication technology resources at Alfriston College are designed for educational purposes and that any breach of the rules and conditions as set out in this agreement can lead to loss of privileges or disciplinary action. If your child steals or damages equipment this could result in a bill for the cost of replacement parts or repairs. This agreement applies to communication technologies your child brings into the school environment.

### **Access to cyberspace**

Alfriston College will take all appropriate measures to minimise the risk of exposure to illegal, dangerous, or inappropriate material in cyberspace, accessed through such means as the Internet, email or text messaging. The school emphasises that ultimately it is each learner's responsibility not to initiate access to, or have any involvement with, such material.
